Hopeless Love

****This was just a little something I came up with. I just had to get it down in words!****

Hopeless Love

I first saw you

Alone

And I fell

Flat out

I knew

You were the one

A passion

Shared only by me

But

She was there, too

I looked through a window

As she fell for you

No way to tell

How I feel
So I sit
And simmer
Quietly
As she chose you
But it ended briefly
And I feel
Like I have another chance
Every day I dream of being
With you
What you would say
What you would do
I melt at your green eyes
Fields of grass
I see past your flaws
Clumsy
Stuttering
Reckless
Things no one else
Can see past
Talent
Bravery
Courage
Friendship
These you have
And are all I see
How could anyone
Pick anyone else
Over you?
They would have to be

Near

Blind

Because

Although I can't touch you

Talk with you

I love you

And always will

End
file.
